

Dr. Stefan Staubach
CEO Heraeus Precious Metals

Stefan Staubach studied business administration at Ruhr University Bochum and completed his doctorate in business administration at the HHL Leipzig Graduate School of Management. He started his career in investment banking in Frankfurt and New York, followed by positions in private equity.

He joined the Heraeus Group in 2016 and has been CFO of Heraeus Precious Metals since 2019, responsible for finance, precious metals controlling, processes, IT, purchasing and PMCE (Precious Metals Compliance Experts).

Since June 2024, he has been CEO of Heraeus Precious Metals together with Dr. Steffen Metzger.
